Dear Doug:

This is just a brief note to say thank you for the briefings and discussions of last week. I appreciate the time you took from your busy schedule to meet with me.

I understand we will be briefing several of your staff on 8 November 1974. If they wish to discuss anything in particular, please don't hesitate to give me a ring. The more specific the subject, the easier it is to respond.] Ed.

I am enclosing a catalog of computer models currently running and available at the National Military Command System Support Center (NMCSSC). In addition, I've included a list of those models specifically used by the Studies, Analysis, and Gaming Agency. Please let me know if we can provide you with any further information or assistance.

Once again, Doug, many thanks for the excellent briefings, and would you please convey my thanks to your staff for their fine presentations as well.

NOTE: I HAVE INFORMED
THAT WE ARE INTERESTED
IN COMPUTER SIMULATIONS
IN GENERAL. E.R.

Sincerely yours,

F. B. KAPPER
